

## **Penn United Force Tryout Information**

Penn United Force will not be having official tryouts for the 2021-2022 season. In the upcoming year, we will have two teams in our club, U-18 Boys and Girls. If you are interested in playing for one of these teams, you may attend a training session and the coaches will evaluate you and let you know if they are interested in having you join the team for next season. If interested, please contact Kosta Bournelis at [kosta05@comcast.net](mailto:kosta05@comcast.net).

Sincerely,

Penn United Force Staff
